Cincinnati, OH 45206

Dear Mr. Kelley:

On behalf of this office and the City of Cincinnati, I would like to offer our full support in the nomination of Warm Bros. Construction Company's renovation of the Isaac M. Wise Plum Street Temple for the 1995 Build America Award.

Having such landmarks as the Plum Street Temple in our city reflects upon the vast diversity of cultures that make Cincinnati unique. We take great pride in celebrating a quality of life rich in a wide array of traditions, religions and ancestral backgrounds.

The project being located across from City Hall allowed me the opportunity to observe the progress and workmanship firsthand. With the complexity in restoring this Cincinnati landmark came many challenges. I must say, Warm Bros. Company tackled each challenge with a well thought-out strategy and solution. The result, a quality restoration of one of Cincinnati's true historical treasures, and another fine example of the quality of craftsmanship our city has to offer.

I greatly appreciate your contribution and dedication to the community in restoring the Plum Street Temple. Congratulations on a job well done!

Sincerely,

Roxanne Qualls
